

## FINANCING

Polaris is offering a full package product so that you do not have to worry about financing your production. As you place your order with us, we will arrange and purchase all raw materials, produce your merchandise and deliver it to you without you having to pay until receiving the goods.

### Full Package Product & Production Financing

To enjoy this benefit our financial department will check your credit worthiness with our financing partners. Once your credit is approved, we can work with you on open terms and pre-finance all raw materials and production.

If you do not wish to have us finance your production or if you are not qualified for full financing we can discuss any other solutions that will best suit your needs.
