

OUR HISTORY

Founded 1992 in Austria as an Agent only, we quickly evolved offering our customer a full package product. Our offices are spread around the globe, serving our customers with tailor made solutions. Polaris quickly expanded production throughout Europe, opening our own offices worldwide to serve our customers the best way possible. Adding Logistics, Financing and a fully owned development center today we are able to deliver turn-key solutions to our constantly growing customer base.

We will update this page soon with more information about our enterprise, come back soon to learn more!
